Printed versions are available from school districts upon request.

#### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Emerald High School is to develop in all students the skills, the knowledge, and the responsibility to be productive citizens and life-long learners. An important factor in such an effort is the relationship that is fostered between Emerald High School faculty and staff through "Faculty Five." All staff members mentor five students who are at risk by providing them academic as well as personal support and encouragement. Emerald High School is a family-friendly school that invites stakeholders to support and participate in all functions of the school, both academic and extracurricular.

Moreover, Emerald High School enhances its team oriented school climate through PBIS (Positive Behavior Interventions and Supports). Teachers are charged with implementing PBIS in their classrooms. Through this initiative, students receive continuous recognition for academic success and good decisions.

The administrative team, department chairs, teachers, and School Improvement Council review data throughout the year and use this information to determine the status of our efforts. This year's 170 graduates in the class of 2013 had a very successful year receiving scholarships and grants totaling in excess of 2.3 million dollars. We had 10 Palmetto Fellows ;7 Outstanding Air Force JROTC graduates;45 National Honor Graduates; 28 National Technical Honor Society Graduates; 35 BETA Club members; and numerous Life and Hope scholarship recipients.

We are driven by our successes. At the same time, we continually strive to improve the academic environment at Emerald High School. We are focused on the implementation of the Common Core Standards. Our commitment is to produce students who are college and career ready.

**Brad Nickles** Principal

Lisa M. Tolbert Chair, School Improvement Council
